THE FT300 ALL IN ONE MACHINE

"WHERE QUALITY MEETS VALUE"

Because we know how important it is for you to succeed in your fitness routine.

Everyday activities require the human body to move on multiple planes forcing muscle groups to work together. The FT300 was designed with this in mind. Our fully loaded weight machine allows you to work ALL muscle groups with just one machine. The FT300 will maximize your routine and help you achieve your fitness goals. All in a very compact space.
