DUAL AXIS CHEST PRESS

GR621

Our GR621 Dual Axis Chest Press is a commercial pin loaded chest press machine made for club use. The sleek futuristic design comes in black or silver. With this machine, you can target your pecs with commercial-grade quality, in the comfort of your own home. This chest press offers smooth motion with 220lb weight stacks. The 6-point seat adjustment fits users of all sizes.

Dual Axis Movements provides multi-planar resistance and user defined convergence, combining the Chest Press and Pectoral Fly movements into one natural pressing motion for a more effective pectoral contraction.
