

Leverage Elite - Lat Pull Down

The Nautilus Leverage Lat Pull Down provides a unique plate-loaded experience with a diverging arm motion to target the lats, upper back, and biceps. Its independent arm design allows for bilateral or unilateral training, while the close-grip start position ensures optimal lat engagement. Ideal for strength-focused environments, this unit balances performance, safety, and aesthetic appeal.

PRODUCT DIMENSIONS	
Length	81 in (206 cm)
Width	51 in (130 cm)
Height	80 in (203 cm)
Product Weight	406 lb (184 kg)
