

Leverage Premier - Smith Machine

The Nautilus Leverage Smith Machine is designed to support strength progression with confidence. Its 7-degree angle mimics natural lifting paths for squats and presses, while counterbalanced loading and rotating handles ensure easy bar management. Adjustable red safety catches add peace of mind, making it ideal for all training levels. Built for commercial performance, this unit offers strength, structure, and smooth motion in one essential piece.

PRODUCT DIMENSIONS	
Width	89 in (226 cm)
Length	67 in (170 cm)
Height	82 in (208 cm)
Overall Weight	648 lb (294 kg)
Shipping Weight (Boxed)	794 lb (360 kg)
